Fixed-price services you can book online

These prices are set and can be booked and paid for securely on our Book a Service page.

Standard Labour – Heating, Gas & Plumbing (First Hour)

First hour on site included. Any additional time is charged in 30-minute increments. Parts and materials are charged separately where required.

£90
FIXED PRICE

Additional time after the first hour

Charged in 30-minute increments once the first hour has been used.

£45
PER 30 MINUTES

CP12 Gas Safety Certificate Inspection

CP12 gas safety certificate inspection only. Gas safety checks and CP12 certificate provided. This does not include a boiler service. Any repairs, parts or additional labour needed will be quoted separately.

£90
FIXED PRICE

CP12 Gas Safety Certificate Inspection + Boiler Service

CP12 gas safety certificate inspection plus a standard boiler service. Gas safety checks and CP12 certificate provided. Any repairs, parts or additional labour needed will be quoted separately.

£140
FIXED PRICE

Boilers, heating & gas work

Our core services. Where a price starts with “From”, the final price depends on the job and is confirmed with you before work begins.

Boiler service

A routine check of your boiler by a Gas Safe registered engineer. Any repairs or parts needed are quoted separately.

£95
FIXED PRICE

Boiler repairs and fault-finding

Fault-finding and repair for boilers that have stopped working or are not heating properly. Includes the first hour of labour. Parts and any extra time are quoted before work goes ahead.

From £90
STARTING PRICE

Boiler installation or replacement

Different boiler types, or moving a boiler to a new location, are quoted after we have assessed the property.

Quote required

Central heating repairs and maintenance

Help with cold radiators, noisy systems, leaks and other heating problems, plus regular upkeep. Parts quoted separately.

From £90
STARTING PRICE

Radiator replacement (like-for-like)

Labour to replace a radiator in the same position. The radiator, and any extra pipework or valves, are quoted separately.

From £135
STARTING PRICE

Heating controls and thermostats

Fitting or replacing thermostats, timers and heating controls. The controls themselves are quoted separately.

From £90
STARTING PRICE

Gas safety checks and other domestic gas work

Checks of gas appliances and pipework in your home, and domestic gas work. Landlord certificates are priced in the fixed-price section above.

From £90
STARTING PRICE

Plumbing, bathrooms & kitchens

Domestic plumbing alongside our heating and gas work. Customer-supplied or separately quoted items are not included in the labour price.

Plumbing repairs and leaks

Leaking pipes and taps, water leaks and other plumbing faults. Includes the first hour of labour; parts and any extra time are quoted.

From £90
STARTING PRICE

Tap fitting or replacement

Labour to fit or replace a kitchen or bathroom tap. The tap and any extra parts are quoted separately.

From £90
STARTING PRICE

Toilet repair

Toilet faults and repairs. Parts are quoted separately.

From £90
STARTING PRICE

Toilet replacement

Labour to remove and fit a new toilet. The toilet and any extra parts are quoted separately.

From £180
STARTING PRICE

Washing machine or dishwasher connection

Plumbing connection for appliances where suitable connections already exist.

From £90
STARTING PRICE

Shower fitting

Labour to fit a shower. The shower unit and any additional pipework are quoted separately.

From £270
STARTING PRICE

Bathroom installation or refurbishment

Every bathroom is different, so we quote once we know what you would like done.

Quote required

Kitchen plumbing alterations and radiator relocation

Quoted after we have understood your kitchen layout and what needs to change.

Quote required

Property maintenance & emergency call-outs

General repairs and property maintenance

For homeowners and landlords. Tell us what you need and we will provide a quotation.

Quote required

Emergency and out-of-hours call-outs

Emergency call-outs are available. Emergency and out-of-hours work may be priced differently, so please call us to discuss your situation.

Call to discuss

Additional service: Pest Control

Pest control is offered in addition to our heating, plumbing and gas services. It is a separate service with its own price.

Pest Control

Pest control service for common household pest problems, including mice, rats, cockroaches, wasps, ants, fleas and bed bugs. Please describe the problem when you book. Any additional work required will be discussed and agreed with you before it goes ahead.

£90
FIXED PRICE

Important pricing notes

Guidance only. Prices are intended to give you clear, transparent guidance. This price list is not a quotation.

Prices may change. Prices are correct at the time of publication (October 2026) and are subject to change without notice. We will confirm the price for your job before work begins.

Inspection may be needed. Some jobs need to be inspected before a final price can be confirmed.

Parts and materials. Parts and materials may be additional where applicable. Where a price is for labour only, this is stated.

Additional work. Any work outside the stated service may need your approval before it goes ahead.

Emergency and out-of-hours. Emergency and out-of-hours work may be priced differently, where applicable.

Fixed prices. Where a fixed price is shown, the description says what is included. "From" means the price starts at that figure, and "Quote required" means we need to see or discuss the job first.

Prices are subject to change. Please call or email us to check the current price for your job.

What happens after you book

After you book online, you choose your service and send your details, then complete payment securely through Stripe. We will confirm your appointment by phone or email.
